## In Dedication To:

**Mrs. Barker**

**Mrs. Berberich**

**Mrs. Morin**

There really are no words to describe the dedication and service Barb Barker, Tammy Berberich, and Deb Morin have enthusiastically given over the years. Mrs. Barker has been a role model for girls showing any career is possible and showing all that hands-on learning works. Mrs. Berberich's passion for helping every child and to be a true advocate never went unnoticed. Finally, Mrs. Morin has helped thousands of students and staff "survive" by keeping the middle school engine running day in and day out. Their commitment to FFMS never stopped at the end of the school day, rather, their passion extended well beyond what was required. They did more. They helped more. They "lived" FFMS. Even when their days were busy and stressful, they had big smiles on their faces, a calming voice, and a genuine love for the students and those they worked with. When people retire from working in education they reflect upon all the people they've met, the challenges they've overcome, their interactions with their peers, and most importantly their time spent with students. Mrs. Barker, Mrs. Berberich and Mrs. Morin should look back with great pride at all they have done for our middle school! We will miss them so very much!

### Thoughts from the ladies:

**Mrs. Barker** - *We all make decisions and face consequences, both good and bad, so choose your path wisely. The consequences will come, but remember that you can make them positive ones! Find the brilliance within you and let it shine!*

**Mrs. Berberich** - *Live as if you were to die tomorrow. Learn as if you were to live forever.~ Gandhi*  
Thank you Mrs. Berberich for reminding us all of what is truly important in difficult times!

**Mrs. Morin** - *I cannot imagine not coming to the FF Middle School every morning and seeing all of your faces. Our staff, students and parents have been an integral part of my life for 28 years, and I already miss you all! As I have said before, we are family here at FFMS, and you will be forever in my heart.*

**THANK YOU** to Viscosi Photography and the FF PTSA! Without Debbie Viscosi's graciousness and flexibility this yearbook would not have been completed. To the PTSA, your generous funding now puts smiles on the faces of our middle schoolers. This digital yearbook is a first in the making! Mrs. Viscosi and PTSA President, Mrs. Henderson, we **THANK YOU!**
