

**Fonda-Fultonville Central School
Student Account Agreement**

I have read the [District Acceptable Use Policy 7314](#). I understand that my child's access to the Internet and to the school computer network is designed for educational purposes and I also recognize that it is impossible to restrict access to all controversial materials.

Therefore, I release the school district, its personnel and any other institution with which it is affiliated, from any and all claims or damages of any nature arising from my child's use of, or inability to use, the District system, including, but not limited to claims that may arise from the unauthorized use of the system to purchase products or services.

I further agree to release the school district, its personnel and any other institution with which it is affiliated, from any and all claims or damages of any nature arising from my child's use of the internet outside of school.

The school district contracts with third-party website operators to offer online programs solely for the benefit of students and for the school system in an educational context and for no other commercial purpose. I expressly consent to the use of such programs that the district deems appropriate.

I will instruct my child regarding any restrictions against accessing material that is in addition to the restrictions set forth in the District Acceptable Use Policy. I will emphasize to my child the importance of following the rules for personal safety.

I give permission for my child to use and access the Fonda-Fultonville Central School District computer network and the Internet.
