

OUR MISSION

At Fonda-Fultonville we provide an environment that ensures every student is respected, challenged, and empowered to achieve their full potential.

AT FFCSD, WE BELIEVE...

...in a welcoming atmosphere that creates a sense of belonging for all students and staff.

...that an emotionally and physically safe environment is most conducive for effective teaching and learning.

...that children benefit when their family and community are active participants in their education.

...in promoting positive character and good citizenship.

...in supporting students to become self-directed, lifelong learners.

...in celebrating our student and staff successes.

...that transparent and honest communication with all stakeholders will lead to the best decisions for students.

...in providing the programs and resources necessary to support our educational mission while respecting the financial commitment of our community.

...in a commitment to continuous improvement through professional development and relevant data analysis.

...in long-term fiscal planning to support financial stability that will expand student opportunities.

BOARD OF EDUCATION GOALS

All students will graduate college and career ready by meeting or exceeding the state standards.

Develop a long-term financial plan that encompasses fiscally responsible budgeting while addressing the needs of students and taxpayers.

Communicate with all stakeholders in promoting collaboration, parent involvement, community partnership, and student achievement.
