English:	Mr. Carson	pcarson@ffcsd.org
Resource Room:	Mr. Bushey	mbushey@ffcsd.org

*Team Leader

Welcome To Team Spirit

Dear Parents/Guardians:

The summer is just beginning and we would like to wish you a healthy and happy one. Soon though, we will be in the "back to school mode". We are looking forward to a very rewarding and successful year with lessons planned to meet the NYS Learning Standards. Seventh grade is a big jump and the expectations are higher than ever before. Please encourage your child to use tools like our Google Classroom pages and 6B study hall this year to stay on track, especially when your child is absent and misses class. Our Google Classroom pages include daily assignments, notes, videos, extra credit opportunities and the daily homework. Communication is also very important. The core teachers and their emails are at the bottom of the supply list. Please contact us any time to keep an open line of communication for your child's progress.

On the back of this letter, you will find a list of supplies that will be necessary in specific classes. We expect all students to have these required materials by the first day of school. Please label everything with your child's name and homeroom teacher. We are looking forward to meeting our Team Spirit families at our fall "Meet the Teachers" night. Check the school calendar for the date. Until September, have a great summer!

Sincerely,

Team Spirit Teachers
